

Message Summary: We are no strangers to the hustle and bustle that is living in Southern California. But in the midst of it all, do we make room for God to take an active role in our daily lives? Have we allowed Him to be our source of guidance? To be the first place we go to for counsel? What does making room for God look like even when we claim to be a Christian and living for God? Let's be reminded of how God wants to show Himself to us and abide within us every day when we make room for Him.
