Intense Discipleship Program

How Do I Start? People of every age and season of life have made the choice to “do what it takes” and be a disciple in the OPERATION: Solid Lives program. The results? A changed life and a passion and understanding for God like they’ve never experienced before. These classes are offered in six-week classes throughout the year (except Basic Training, which is four weeks). Either way, your life is set to be revolutionized by God’s Word.
