

**Message Summary:** Ticker-tape parades are not as common today as they once were. There was a time when our country honored our heroes and heroines with colossal parades. The Palm Sunday parade is a very important day in history, when Jesus began His journey towards the cross. As we begin this Holy Week, we are reminded of its significance and value for our lives as Easter Sunday approaches. God's Word reveals such great truths in every part of this story. Truths that draw us closer towards Christ, reminding us that He alone is King.
