

Happy Mother's Day!

Message Summary: A mother's love for her children is distinctive and irreplaceable. To watch a child suffer is crushing and almost intolerable for any mom. In this touching scene revealed in three verses, we not only see Mary, the mother of Jesus, at the foot of her Son's cross, we also learn how Jesus cared for His mother. Even from His place of extreme suffering, Jesus was thinking of others and His love for Mary is noteworthy for us.
