

Sunday Sermon Series: *Growing Useful Character*

Message Summary: Resilience is that ineffable quality that allows some people to be knocked down by life and come back stronger than ever. Rather than letting failure or hardship overcome them and drain their resolve, they find a way to **rise from the ashes**. Without resiliency, our faith and following of Jesus will not be strong. It will be sporadic – inconsistent – maybe even temporary. We all know those who have walked away from Jesus. We must **develop a resilient faith**...a faith that can endure whatever this life throws at us. Today we find out HOW?
