Bible Never Said Series - Part 2

Message Summary: Today we continue our series debunking the things the Bible/God never said. There are so many beliefs about God that are simply accepted, when in reality, they're not actually true. I have talked to countless people over the years going through tough times. (Divorce – Health issues – job loss – death of a loved one – bankruptcy – overwhelming stress) Every once in a while, I hear someone say; "Well, I guess God doesn't give us more than we can handle...right?" This isn't entirely true. God may not "GIVE" us more than we can handle but life certainly does! Let's unpack this statement.
